Dear Mike

Now that the TWP Projects move has been completed, it is appropriate to express our sincere appreciation of the efficient manner in which the entire contract has been executed by Amazing Transport and Warehousing.

The moves were from six locations namely Rivonia (two buildings), Harmelia, Milpark, Auckland Park and Midrand to six floors at Melrose Arch. These moves have been accomplished with no known loss, damage or downtime, and have all been completed in accordance with our programme.

A big "Thank you" to yourself and Jody, supervisor Alfred and your workforce, who have never let us down over weekends or public holidays. The relationship with your supervision and staff have contributed largely to the success of the move.

I have no hesitation in recommending the services of Amazing Transport and Warehousing and look forward to future moves with them.

Your sincerely

Letter of recommendation

Dear Sir / Madam,

We are pleased to commend Amazing Transport for their "amazing" transport of our office furniture to the new premises in November 2009. Amazing Transport impressed us with their exceptional flexibility in terms of accommodating us at such short notice and limited time span available with the relocation.

The move took place on the weekend of 28 and 29 November 2009 and by that Monday most of our staff were operational. Any other outstanding furniture was completely delivered by the following day.

We would recommend Amazing Transport to anyone who needs to move efficiently and quickly in a very short time span.

Yours sincerely
