Dear Joe

I have been meaning to send you this e mail since our move that took place on the 21 January 2010.

The team that you sent were absolutely outstanding. They were professional, helpful and obliging. There was nothing damaged and the move, despite the rain went exceptionally well.

The team that you sent were:

Driver - Khaile  
Crew - David, Sydney, Cosmos and Mike

We are building in Glenhazel which we hope will be ready during the course of the year, we will without a doubt be using you again and will request the same team.

Thank you once again.

Kind regards

Sean Biddle | Head: Product & Projects

Dear **Mike**,

We would like to thank you whole heartedly for the superb job your organisation did with the entire moving and storage of our goods over the last three months.

Both my husband and I were very impressed with the speed at which your movers worked when they arrived at our new home at 19.40 hours and were out of our premises by 20.00 hours. We found your team to be exceptionally pleasant and caring of our possessions.

We are very pleased to recommend you to anyone who requires good, solid and reliable movers and we congratulate you and your organisation on outstanding work and wish you many more homes to move!

Best regards

**Theo and Martello Mompè**
